Experience

Golden Sales and Marketing | Addis Ababa, Bole sales

At Golden Marketing Bole, I completed a 2-month apprenticeship before transitioning to a professional sales representative role. I excelled in developing and maintaining client relationships, conducting market research, and consistently achieving sales targets. My time at Golden Marketing has honed my skills in client management and strategic sales planning, contributing significantly to the company's growth.

Skills

Web Development, HTML, CSS, JavaScript, react.js, Node.js, MySQL, Java, C++

Education

Jimma University | jimma Computer Science | 07/2025

I am currently pursuing a degree in Computer Science at Jimma University, where I have achieved an impressive GPA of 3.86. My academic journey includes rigorous coursework in algorithms, data structures, software development, and systems programming. I have consistently demonstrated exceptional performance and a strong aptitude for problem-solving and analytical thinking. My dedication to academic excellence is further reflected in my top scorer status, positioning me among the leading students in my program.

Evangadi Tech | United State Full Stack Developer | 11/2024

I was a scholarship student at Evangadi Tech, where I completed a 6-month course in Full Stack Development. During this intensive program, I gained proficiency in various technologies including HTML, CSS, JavaScript, React, and Node.js. My achievements include successfully developing several web applications and projects that demonstrate my ability to build and manage both front-end and back-end systems. This experience has equipped me with the skills and knowledge necessary to excel as a full stack developer.

Golden Sales And Marketing | Addis Ababa, Bole Professional Sales | 05/2022

At Golden Marketing Bole, I completed a 2-month apprenticeship before becoming a professional sales representative. In this role, I excelled in developing and maintaining client relationships, consistently achieving and exceeding sales targets. My efforts contributed to a significant increase in the company's client base and revenue. I have also been recognized for my strategic sales planning and market analysis, which have played a crucial role in the company's growth.
